

Initially, there are 3 todos in the “Active Todos”.

The screenshot shows a web browser window titled "Todo App" at "localhost:4000". The main title is "My Todo List". The "Active Todos" section contains three items with checked checkboxes: "Learn Javascript", "Git Tutorial", and "Interactive Git". There are three red trash can icons to the right of the list. Below this is the "Add Todo" section with a text input field containing "Enter Todo Title" and a red "+" button. Underneath is the "Complete Todos" section with a link "Hide Completed Items". At the bottom is the "Deleted Todos" section with a link "Hide Deleted Items". The background features a colorful geometric pattern of triangles in shades of pink, orange, and blue. The Windows taskbar at the bottom shows various icons and the date/time "10:00 PM 9/2/2017".

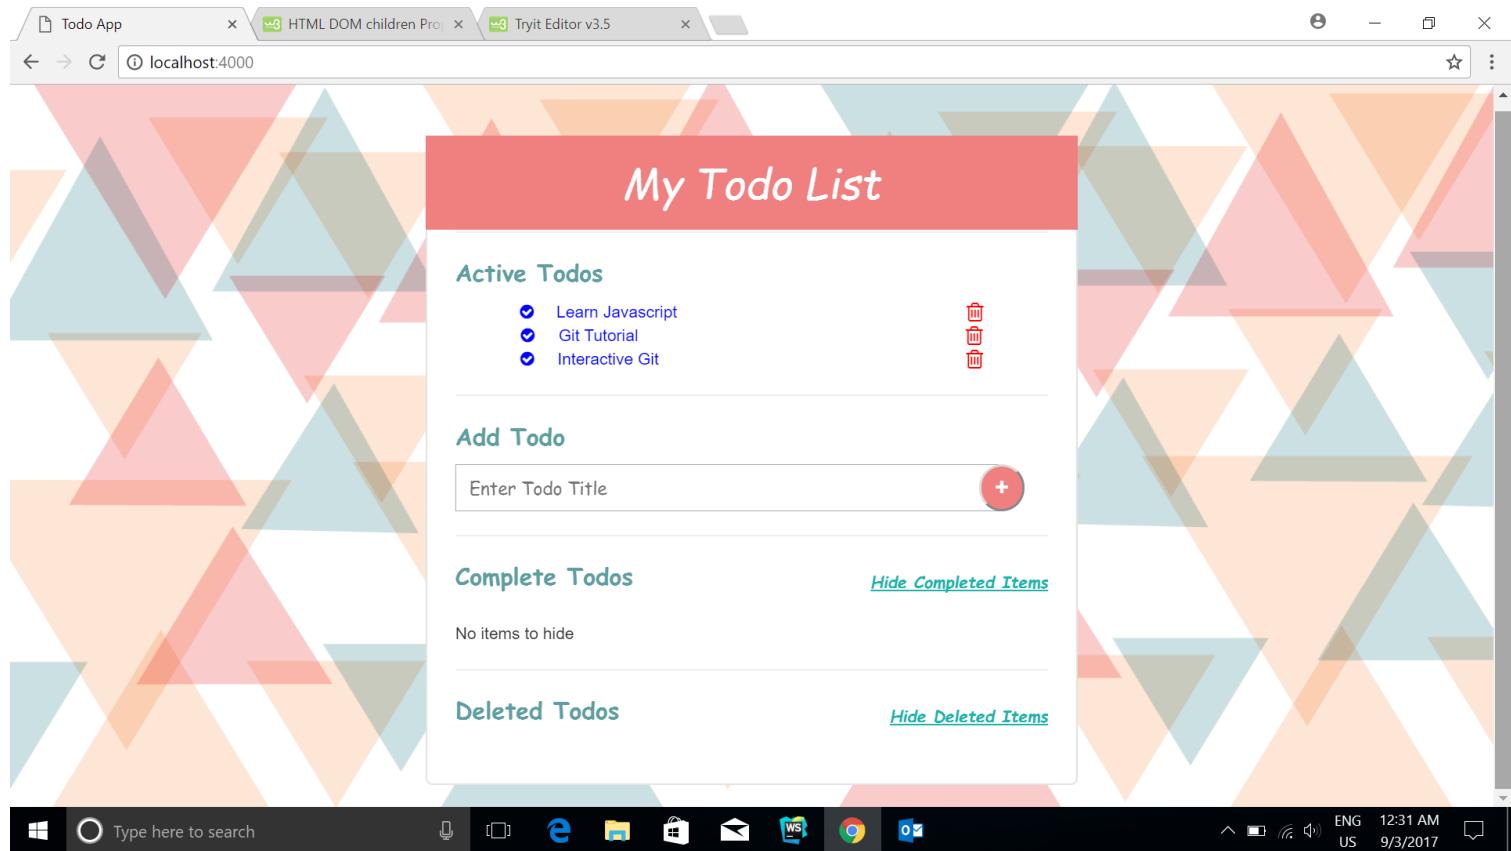

Adding a new todo using “Add Todo” section.

The screenshot shows the same "Todo App" interface after adding a new todo. The "Active Todos" section now includes the new item "New Todo" along with the previous ones. The "Add Todo" section now has the text "New Todo" in the input field. The rest of the interface remains the same, including the "Complete Todos" and "Deleted Todos" sections and their respective hide links. The Windows taskbar at the bottom shows the date/time "10:03 PM 9/2/2017".

"New Todo" has been added to the Active Todos list when user clicks on '+' button.

When Completed Todos list is empty and user clicks on Hide button, then it is displayed "No items to hide".

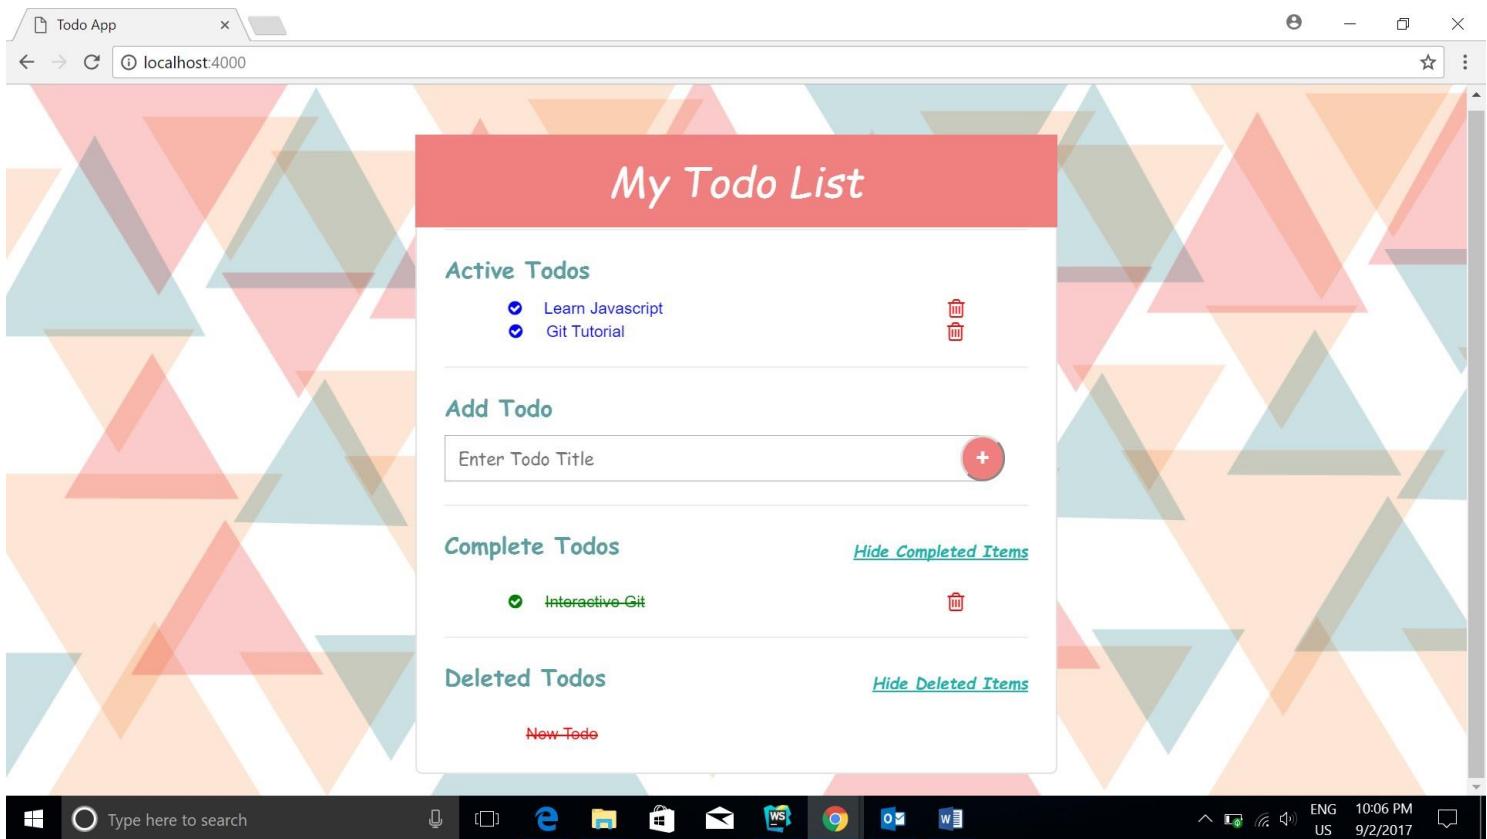

When Deleted Todos list is empty and user clicks on Hide button, then it is displayed "No items to hide".

The screenshot shows a Windows desktop environment with a browser window open at localhost:4000. The browser tab bar includes 'Todo App', 'HTML DOM children Proj.', and 'Tryit Editor v3.5'. The main content area displays a 'My Todo List' application. The 'Active Todos' section contains three items: 'Learn Javascript' (checked), 'Git Tutorial' (checked), and 'Interactive Git' (unchecked). The 'Delete' icon next to the last item is red. Below this is an 'Add Todo' form with a text input field and a red '+' button. The 'Complete Todos' section shows 'No items to hide' and a blue 'Hide Completed Items' link. The 'Deleted Todos' section also shows 'No items to hide' and a blue 'Hide Deleted Items' link.

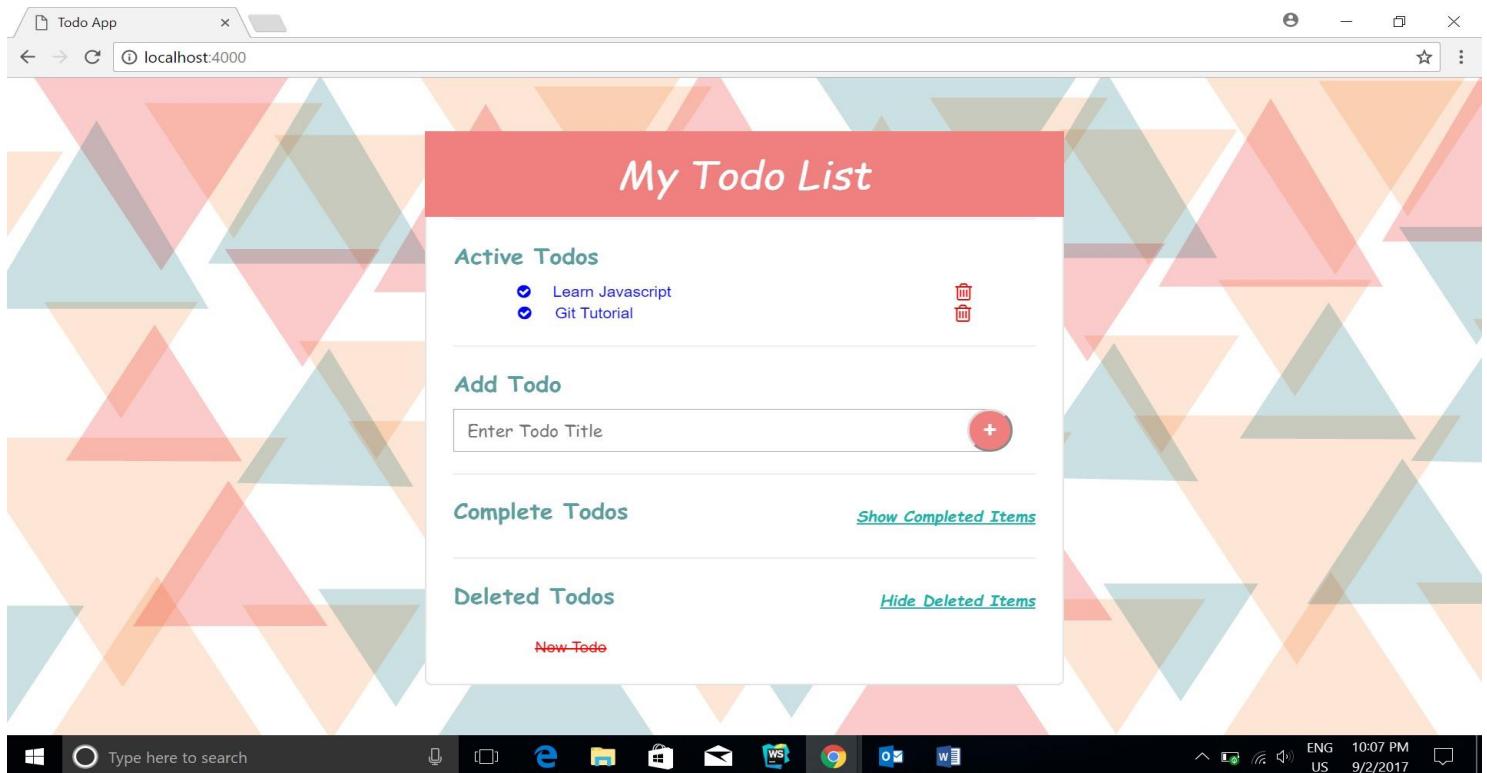

"Interactive Git" has been marked complete by clicking on the checkbox.

This screenshot shows the same Windows desktop and browser setup as the previous one, but with a key difference: the 'Interactive Git' item in the 'Active Todos' list now has a checked checkbox. The rest of the interface remains the same, with the 'Deleted Todos' section still empty and the 'Hide Deleted Items' button visible.

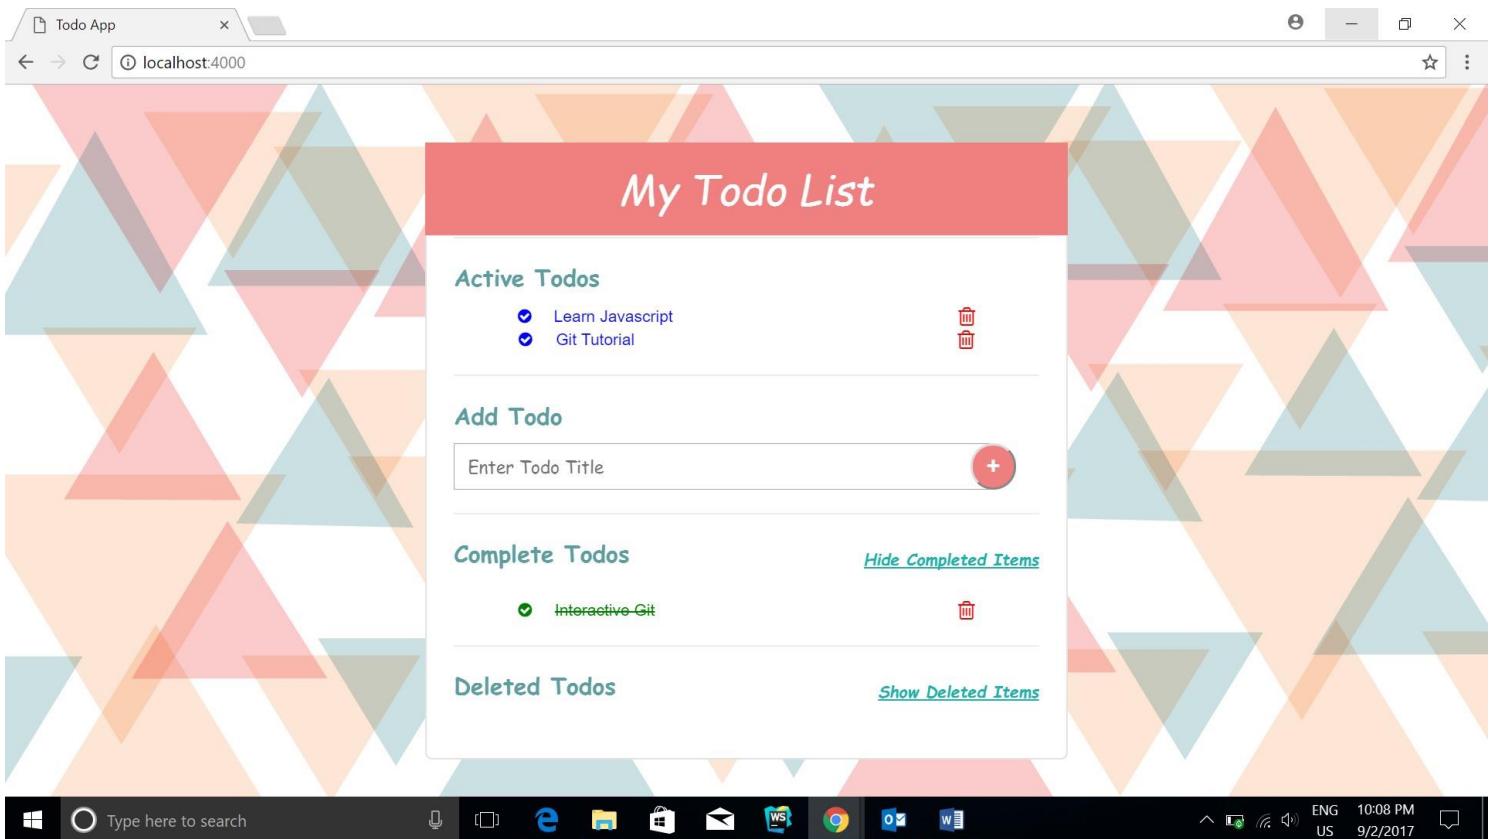

"New Todo" has been marked as "Deleted" by clicking on the trash button.

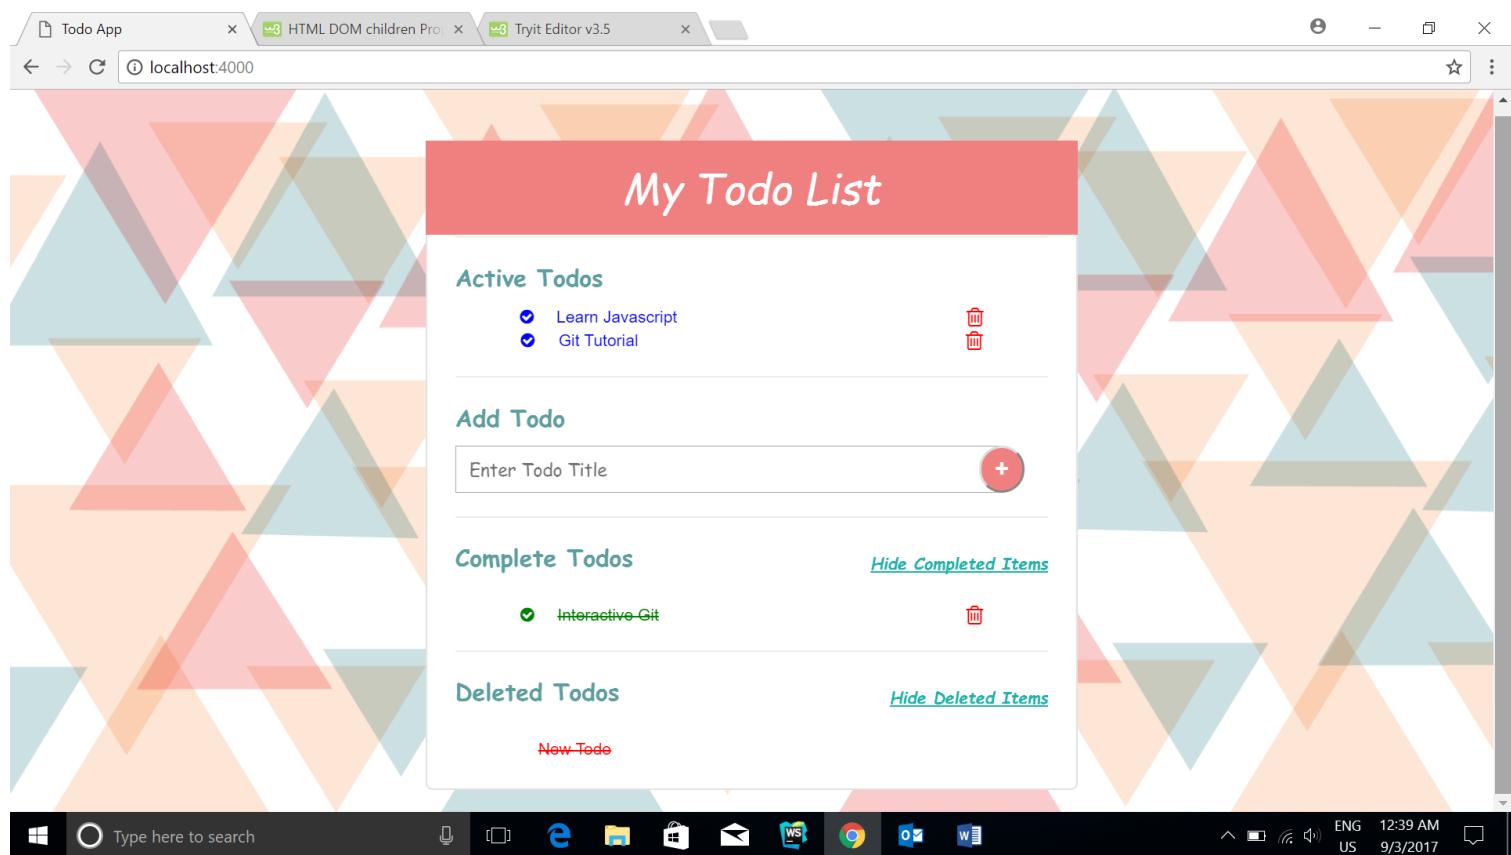

Clicking on "Hide Completed Items" hides the items, and the value of the button changes to "Show Completed Items".

Clicking on “Hide Deleted Items” hides the items, and the value of the button changes to “Show Deleted Items”.

Clicking on “Show Deleted Items” button shows the deleted items (which were made hidden).

"Interactive Git" has been marked as "Deleted" by clicking on trash button.

The screenshot shows a web browser window titled "Todo App" at "localhost:4000". The main content is a "My Todo List" page with a red header. It displays three sections: "Active Todos", "Complete Todos", and "Deleted Todos".

- Active Todos:** Contains one item: "Learn Javascript" with a blue circular checkbox. To its right is a red trash can icon.
- Add Todo:** A form with a text input placeholder "Enter Todo Title" and a red "+" button.
- Complete Todos:** Contains one item: "Git Tutorial" with a green circular checkbox. To its right is a red trash can icon. Next to it is a link "Hide Completed Items".
- Deleted Todos:** Contains two items: "Interactive Git" and "New Todo", both in red text. To their right is a red trash can icon. Next to them is a link "Hide Deleted Items".

The background features a geometric pattern of overlapping triangles in shades of pink, orange, and teal. The bottom of the screen shows a Windows taskbar with various icons and system status information.
